

# Special Olympics

Illinois Valley Economic Development Corporation Rehabilitation Center competed in the Illinois Special Olympics on June 9, 10, and 11 2017 at Illinois State University. They had a wonderful time competing in the games and even won some medals! Our medal winners were; Billy Camp won Gold in the softball toss, Nick Phillips won Silver in the softball toss, Jeannie Gunterman won bronze in the mini javelin throw, and Adam Elliott got 6th place out of 12 contestants in the running long jump.

Congrats and great job to everyone who competed!
