

WE WANT YOU!

GOVERNING BOARD MEMBERS NEEDED!

The Illinois Valley Economic Development Corporation's Governing Board is made up of three groups of individuals:

Local Government Representatives

Representatives from Private Groups and Interests

Representatives Low-Income Individuals and Families

The agency is now recruiting for a Representative for Low-Income Individuals and Families in Greene County, as well as a Representative from a Private Group and Interest in Calhoun County.

The Governing Board is responsible for oversight and governance of Illinois Valley Economic Development Corporation. Board members assist in conducting needs assessments of the causes and conditions of poverty within their service area and to decide what role, or mission, the agency will assume relative to other community organizations and resources, in addressing those needs. On an ongoing basis, the Governing Board assists in planning, implementing, and evaluating services of the agency.

If you have a desire to serve the community by considering membership on the Illinois Valley Economic Development Corporation's Governing Board, please ask our Community Service Director, Stephanie Stahlhut at 217-839-4431, for more information.

THANK YOU FOR YOUR CONSIDERATION!
