

Notification and Solicitation - Availability of Grants for Homelessness

Date: July 10, 2019

The South Central Illinois Continuum of Care (CoC) announces the availability of grants to prevent and end homelessness through the United States Department of Urban Development's "Notice of Funding Availability (NOFA) for the Fiscal Year 2019 Continuum of Care Competition." The CoC is open to, and it will accept and consider proposals from organizations that have not previously received CoC Program Grants. Organizations that have not received CoC funding in the past are encouraged to apply.

NEW PROJECTS

- Three basic types of new projects are eligible: Rapid Rehousing; Permanent Supportive Housing for persons with disabilities who experience long-term or repeated homelessness; and Joint Transitional Housing and Permanent Housing/Rapid Rehousing. The NOFA provides details on each of these. The maximum amount for these projects is \$55,062, plus any amount made available through reallocation.
- Under a separate Domestic Violence Bonus, organizations may apply for targeted projects serving victims of domestic violence, sexual assault, stalking, and/or trafficking. These projects may be: Rapid Rehousing; Joint Transitional Housing and Permanent Housing/Rapid Rehousing; and specialized Coordinated Entry. The minimum amount for a housing project is \$25,000, and the maximum amount for all projects is \$110,124. Organizations with track records of serving victims of domestic violence are especially urged to consider applying for Domestic Violence Bonus funds.

Applicants for all new projects must submit a letter of intent including the project type and estimated amount of request to jessicap@erbainc.org by July 31, 2019.
